Topics

- The most common mistakes start-up law practices make and strategies to avoid them
- Presenting your unique skills and experiences to build your reputation and your brand.
- Effective ways of getting and keeping clients.
- Proven strategies to develop a successful and sustainable law practice.

This workshop is geared for lawyers who are starting or running newly established law practices (0-3 years) and who want to grow their practices into successful, powerful and sustainable businesses. The workshop leaders will use a variety of interactive tools to help the attendees create a powerful vision and a practical plan for their practices. Law schools don't teach business or organizational success and certainly don't teach the tools to be used during the workshop.
