Topics

- Attorneys to provide practical tips regarding case management of pro bono cases, balancing pro bono cases with billable work and other professional responsibilities, and common ethical issues that come up in pro bono representation.
- Law firm attorneys to discuss the substantive areas of law in which they represent pro bono clients and how working on pro bono cases has improved their legal skills and advanced their careers.
- Non-profit organization representatives to discuss the array of substantive and practical opportunities available and how they support and depend upon pro bono attorneys.
- Attendees can learn how training and working with communities that depend on pro bono attorneys can fine tune their legal analysis.
