The Justice & Diversity Center (JDC) raises funds to provide pro bono legal services and diversity educational programs to those in San Francisco who need it most. Last year alone, more than 8,500 people received legal services through JDC. JDC also provided three law school scholarships and served hundreds of San Francisco students, helping them, in many cases, become the first in their family to attend college. Celebrate the legal community's shared investment in justice and diversity with us!

JDC's annual Gala, now in its 20th year, is an opportunity for the San Francisco legal community to gather and celebrate the collective impact of more than 1,500 volunteer and staff attorneys who provide legal services, advocacy, and support that more than 9,000 people in San Francisco rely on each year. This year's JDC Gala will continue the tradition of celebrating JDC's impact and sharing inspiration through client and student stories.
