Speaker

Kelley Milks
AHERN Insurance
Brokerage

Kelley is an Executive Vice President at AHERN Insurance Brokerage (AHERN). She has worked in the insurance industry for over 35 years, specializing in the risks of law firms for over 20 years. In her role with AHERN, Kelley provides clients with expertise in all exposures: professional liability, employment practices, workers' compensation, fiduciary, commercial property and casualty. She holds the designations of Certified Insurance Counselor, Certified Risk Manager and Registered Professional Liability Underwriter. Her responsibilities also include developing new business. Kelley has actively supported the Association of Legal Administrators by providing seminars at national, regional and local events. She has also provided educational classes on the local level for the Certified Legal Managers designation.

Ever wonder what all those letters mean in your firm's business insurance coverage policies and why they are so important to the ongoing operation of a law firm? Kelley Milks with Ahern Insurance Brokerage will demystify what types of insurance your firm should have, determining the correct amount of coverage you should carry, and will update you on new happenings in the business insurance arena. You will come away with the tools and information to be confident at your next renewal meetings and perhaps even be able to throw those acronyms right back!

Topics:

- Property and Casualty Insurance for Law Firms
- Professional Liability Insurance for Law Firms
- What is trending in the insurance world?
- Open Q&A session at the end of the program

Note: AHERN Insurance Brokerage and The Bar Association of San Francisco are not affiliated.
