

The Litigation Section presents

## Neuroscience of Memory in the Courtroom

- Taking an age-old issue of memory and addressing it with scientific evidence.

**Thursday  
April 22, 2021**

MCLE Registration: 11:30 a.m. - 12:00 p.m.

Program: 12:00 - 1:15 p.m.

### Speakers

## Honorable Curtis Karnow

San Francisco Superior Court Judge

## Dr. Emily Murphy, PhD

UC Hastings Law School

### Moderator

## Rebecca A. Bers

San Francisco City Attorney's Office

From witness testimony to jury deliberations, memory is a critical part of our trial system. This panel will discuss the development of scientific research regarding memory, the role of technology in understanding memory, and the practical implications on trials.

### Topics

- Cutting edge research on the neuroscience of memory
- Technological attempts to "solve" memory issues
- Admissibility of expert testimony

### MCLE: 1 Hour

To receive MCLE credit, you must sign in during the designated MCLE registration period. This activity is approved for Minimum Continuing Legal Education credit by the State Bar of California. BASF is a certified provider.
