

ART GALLERY MIXER

AN EVENING OF ART, WINE, AND CONVERSATION

Cool off and celebrate the end of summer in good company with the BASF Art Law Section Members.

All are welcome to join the Art Law Section in the beautiful Tint Gallery in Hayes Valley for a mixer event surrounded by art. Wine and other beverages will be provided.

The gallery owner will provide a tour of her gallery and speak to the group about her unique transition from attorney to contemporary art gallery owner. Afterwards, we encourage you to mix and mingle while enjoying the exhibition on display. Tint will be displaying *Grounded*, a beautiful group show featuring three Bay Area women artists Catherine Mackey, Sarah Newton, and Deborah Sibony inspired by our transitioning urban and natural landscape.

We look forward to seeing you for a special evening with fellow art lovers!
