Attendees will learn about recent court rulings involving Boards of Directors' and Audit Committees' failures, and the substantial costs of non-compliance. Learn how to monitor and document compliance with key areas of the Board's responsibility. Take a deeper dive into the inherent compliance risks associated with mergers and acquisitions and how to help avoid costly mistakes.

Topics

- Learn about important recent Delaware rulings involving Board governance and Audit Committee failures, and how to avoid these mistakes.
- Understand the key findings in the Caremark and Ritter rulings and how they affect your corporate organization.
- Learn some of the most important enterprise risk considerations to monitor and how to take tangible mitigation action now.
- Gain an understanding of how to set-up, monitor and document compliance programs.
- Understand the inherent risks associated with mergers and acquisitions and how to avoid common pitfalls
