

BASF'S WELLNESS
PHOTO WALK

FINALE | YOUR INNER ARTIST

The last three parts of BASF's Photo Walk have all led up to this celebration of the art we've created! Show off the amazing photos you've taken by having them printed and displayed at the BASF office. Have drinks and hors d'oeuvres while friends, family, and co-workers can see your creative side. Show off your inner artist!

Participants will have to print their own photos to be displayed at the Gallery.

This walk will focus on "a world in focus."
