Having the right insurance can make all the difference in getting a landlord/tenant dispute resolved. Different insurance policies cover different claims, and more and more insurance companies are restricting what is covered under applicable policies. Our panel will discuss the different issues that come up in landlord/tenant disputes around insurance, how landlords can ensure they have the “right” coverage, and how these issues play out in mediation and trial.

Topics

- How to plead claims to trigger coverage and avoid carve outs
- Dealing with uncovered claims at mediation
- The importance of personal counsel or coverage counsel
- The different types of insurance policies
- Securing the right policy
