Intro and Practical Guide to using AI and Tech in Family Law

They say the first step is the hardest...here is your opportunity to take it! Join Jillian Duggan-Herd CFLS for a practical and engaging exploration of artificial intelligence in legal practice. (Rebroadcast)

Speaker

Jillian Duggan–Herd, CFLS

Partner, Cage & Miles LLP

This 60-minute webinar is tailored for attorneys seeking to understand the basics and implement AI technology while maintaining their professional standards. She will demystify AI with real-world examples, covering what AI is, essential ethical considerations, and simple steps to get started - all presented with a light touch that makes learning about new technology approachable and even enjoyable. Whether you're a WordPerfect loyalist or willing to explore new technological horizons, you'll leave with practical knowledge to confidently integrate AI into your practice.
