Join us for the inaugural BASF's Summer Intern Networking Reception, hosted by the Criminal Justice Section. The Bar Association of San Francisco (BASF) invites summer interns and Bay Area law students to an evening of connection, conversation, and community. Join us for BASF's Summer Intern Networking Reception — a great opportunity to mix and mingle with fellow students, meet BASF leaders, and connect with practicing attorneys, local Judges, and other legal professionals.

Whether you're looking to build your network, find a mentor, or just celebrate the start of summer with the local legal community, this is an event you won't want to miss!
