## Topics of discussion:

The Appellate Section's biennial luncheon with the Justices of the First District Court of Appeal is back after a long hiatus!

Please sign up to take advantage of this opportunity to have an open discussion between the appellate bench and bar.

During lunch, we will have prompted small-table discussions between lawyers and jurists, who will then share the results of those discussions with the other small tables.

The goal of the program is to learn what the Justices care about, while getting to know the Justices and developing a useful dialog between the bar and bench.
