Weintraub Tobin

In recent years there has been a sustained and increased trend of anti-immigrant actions, legislation and proposals at the state, federal, and local levels, including attempts to roll back sanctuary policies, calls for mass deportations, and even laws that attempt to limit land ownership by immigrants. This panel will discuss how advocates for immigrant rights are working to protect immigrants whose rights are under attack, as well as policy proposals to further safeguard and protect immigrant rights.

Monday

December 22, 2025
