This program will provide expert insights on the ethical and legal issues involved in the use of AI legal tools. The program will cover the ethical rules that are relevant to the use of AI legal tools and the updated State Bar guidance on the use of generative AI. It will also explore the implications of the use of AI by lawyers and their clients on the attorney-client privilege and the attorney work product doctrine. Finally, the panel will expand on best practices for integrating AI legal tools into lawyers' and law firms' legal work.

Topics

- The State Bar's Updated Practical Guidance on the Use of Generative AI in the Practice of Law
- Ethical Rules and Principles Implicated by Lawyers' Use of AI Legal Tools
- Impacts on the Attorney-Client Privilege and Attorney Work Product Doctrine from the Use of AI Legal Tools
- Best Practices for Integrating AI Legal Tools into a Lawyer's and a Law Firm's Legal Practice
