Welch ADR

Jonathan Polland

Polland ADR

Moderator

Aaron Gothelf

American Arbitration Association

This Webinar will examine rules, cases and statutes applicable to discovery in arbitration (including third party discovery), best practices for conducting discovery and resolving discovery disputes, and the impact of ESI and AI on discovery in arbitration.

Topics

- How an arbitrator determines the appropriate scope of discovery
- Discovery issues to address at the preliminary hearing
- Third party discovery under the FAA and under the CAA
- Best practices for resolving discovery disputes in arbitration
- The impact of ESI and AI on the conduct of discovery in arbitration, and the resolution of discovery disputes

Section Co-Chairs

John S. Worden, Venable
Mark LeHocky, ADR Services
