THE BAR ASSOCIATION OF SAN FRANCISCO

presents

## AI at the Bar: Practical Tools for Modern Legal Practice

(Rebroadcast)

### Speakers

#### Mark Pike

Anthropic

#### Benjamin Softness

King & Spalding

Join us for an essential CLE program exploring how artificial intelligence is reshaping legal practice. This interactive session features two distinct perspectives on AI implementation: Mark Pike, Associate General Counsel at Anthropic will demonstrate how a general LLM like Claude enhances in-house legal operations, from contract review to legal research, while Benjamin Softness from King & Spalding will share real-world strategies for integrating AI tools into law firm workflows. Whether you're managing an in-house legal department or practicing at a firm, you'll leave with actionable insights on leveraging AI to work safely and efficiently, deliver better client service, and stay competitive in an evolving legal landscape.

### Topics

- How to use AI effectively inhouse
- How to use AI effectively in a firm
- Ethical and professional considerations when using AI
- Realizing efficiencies and cutting costs, without adding unnecessary risk
