

The Wellness Committee of the Bar Association of San Francisco presents

BASF'S DESTINATION WELLNESS WALK

2025 Series

We're excited to invite you to BASF's Destination Wellness Walk 2025 series – the perfect opportunity to step away from your desk, enjoy the fresh air, and connect with friends and colleagues. Whether you work or live in the city, this causal stroll offers a chance to recharge, clear your mind, and embrace the various scenic views to San Francisco's iconic destinations.

On this walk, learn and practice the art form of photography on your camera or iPhone with other hobbyists and beginners to capture the beauty of San Francisco. Gain a new perspective of your surroundings while learning from BASF's very own professional and published photographer Justin Bauer.
