As part of the Barristers Club Racial Justice Initiative, we are thrilled to launch our Book Club. The Book Club will include books from a variety of genres regarding issues of race in America. As part of the Barristers Club's mission to develop new attorneys, this reading program is intended to be an opportunity to continue to educate our members about themselves, each other, and the communities in which we practice. Come as often or as rarely as you like. All we ask is that you read the chapters assigned for the Book Club meeting you attend.

For our first meeting, we will be discussing chapters 1-4 of "How to be an Anti-Racist" by Ibram X. Kendi.
